Dear Vendors.

It's that time of year and everyone is making plans for the upcoming trade show circuit. The 2016 Yogi Bear's Jellystone Park™ Trade Show was a huge success and we are anxious to make 2017 even better with your assistance. All indications are the camping industry should continue to be strong and the Jellystone Park franchise system looks to lead the industry in that growth; which in turn should increase purchases for you the vendors.

Thanks to everyone who participated in our past shows. The franchisees agree that it is their main buying show.

We will continue to work to make this year's trade show better and more valuable to you.

Looking forward to working with you in 2017!
